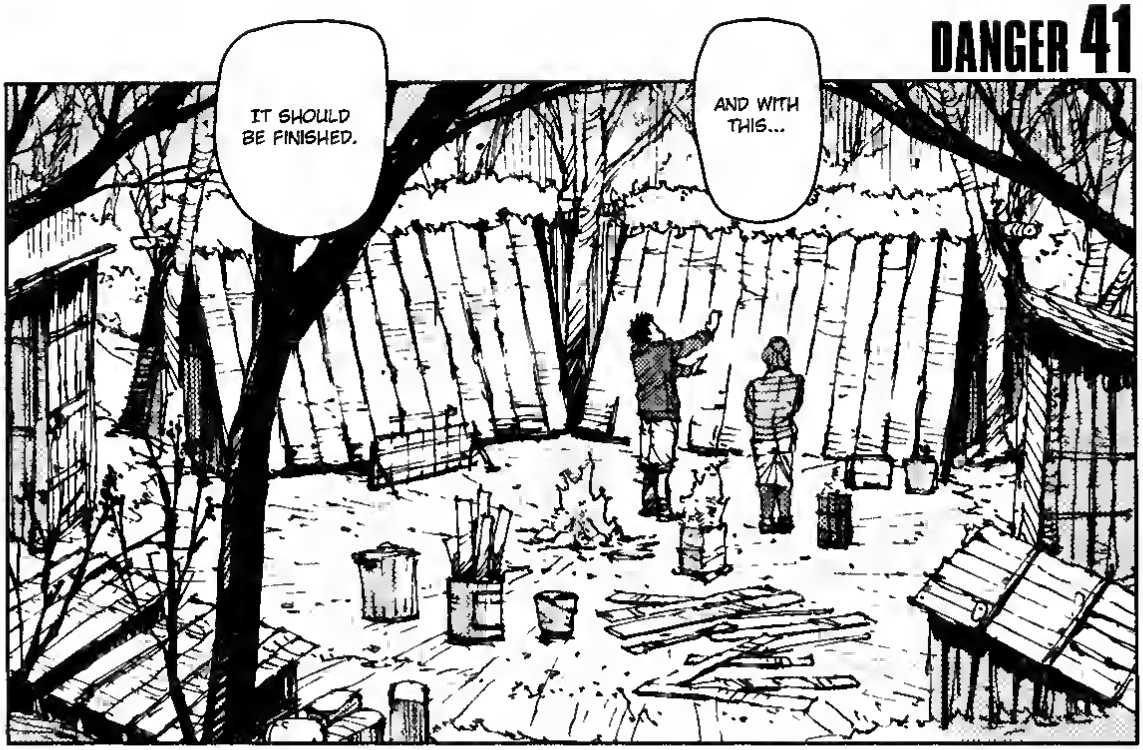
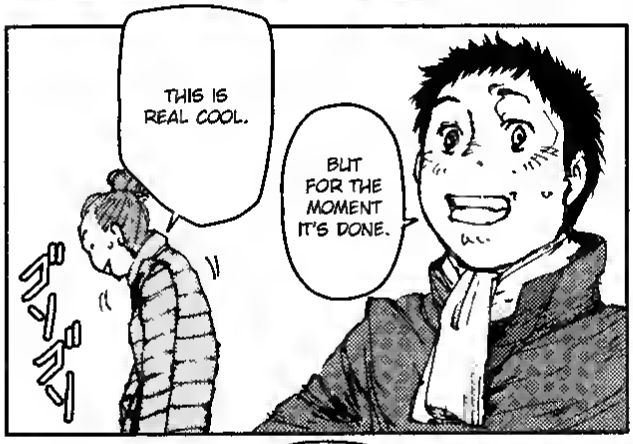
# DANGER 41



IT SHOULD BE FINISHED.
AND WITH THIS...



THIS IS REAL COOL.
BUT FOR THE MOMENT IT'S DONE.
ヴィーン

AARGH, SICK.
WE REALLY BUILT A HUT.
I IMAGINE WE'LL STILL NEED TO REINFORCE IT IN SPOTS.

LEMME GET A PHOTO.

カシャ
...
OHOHO, AMAZING...
カシャ
A... AKIKO-SAN, THATS...?
WISH I COULD GET ON THE NET AND UPLOAD IT TO SOCIAL MEDIA, BUT I'LL HAVE TO STICK TO TAKING A PHOTO...
NO I MEAN... HOW'S YOUR PHONE STILL USABLE?
I MIGHT HAVE NO RECEPTION HERE, BUT I CAN STILL TAKE PHOTOS AND LISTEN TO MUSIC.
YOU CAN EVEN PUT SOME STUFF ON THE APP WHILE OFFLINE.
NOT THAT, BUT HOW IS IT STILL WORKING?
MINE RAN OUT OF BATTERY AGES AGO.
...

I'VE NOT MUCH LEFT...
WAH! I'LL HAVE TO CONSERVE MY BATTERY THEN!
8%
CRAP, WHAT DO I DO...
AH, RIGHT!
YOU'VE NO ELECTRICITY HERE...
THAT'S OBVIOUS ISN'T IT...
ALONGSIDE LP GAS.
BUT WE'D TRY AND DO AS MUCH AS WE COULD MANUALLY IN ORDER TO CONSERVE IT. FOR LIGHT WE USED GAS LANTERNS....
SEE... AT THE MOUNTAIN VILLA THERE WAS A DIESEL GENERATOR WITH FUEL WHICH WE USED.
OUR GENERATION REALLY DO HAVE TO HAVE THESE THINGS.
I HAD NO IDEA WHAT TO DO... WHEN I FOUND I HAD NO SIGNAL, COULDN'T PHONE ANYONE AND COULDN'T GET ONTO SOCIAL MEDIA.
BUT WE WEREN'T WORRIED ABOUT OUR PHONE BATTERIES.
WE COULDN'T WATCH TV OR GO ON THE NET.
IS THAT SO...

HEH?
I KNOW!
!
...
MM... STILLL, IT'S OVER NOW...
THAT'S A PRETTY EMOTIONAL RESPONSE.
DIDN'T I MENTION I'D BROUGHT A FRIEND'S RADIO?
MM...
WHAT'RE YOU DOING AKIKO-SAN?
PERHAPS...
TADAAAH!
AND?
HERE IT IS!

LOOK, LOOK IT'S GOT A USB PORT!
HEH_?
IT'S NOT GOT A BATTERY THOUGH, INSTEAD YOU CAN CHARGE IT BY TURNING THE HANDLE.
THE RADIO HAS A LIGHT!
OHOH! IT'S SOLAR POWERED TOO.
OOH...
FOR REAL...
YOU CAN CHARGE YOUR PHONE WITH THIS!
YOU CAN CHARGE IT, YOU CAN CHARGE IT!
HERE I GO!
THOUGH TAKE CARE, TURNING IT ANY FASTER WON'T REALLY AFFECT ITS CHARGING.
GOT IT? YOU'LL NEED TO TURN IT AROUND 120 TIMES A MINUTE.
GOT IT!

NOTHING. IS THERE SOME TRICK TO IT?
HOW'S THAT!
WELL YOU HAD SET IT ASIDE FOR HALF A YEAR...
OH!
ホォー...
NOT YET SATORU-KUN! YOU CAN'T GET FLUSTERED!
YOU HAVE TO SUPPLY IT UNTIL IT PROPERLY BOOTS UP.
KEEP ON TURNING IT AT THAT FIXED PACE.
GOT IT!
IT'S OOOON!

TWO ROTATIONS A SECOND IS GREAT, THRILLING, LOVELY ROTATIOOONS!
YO, YO, YO. I'LL TURN YOU, COME ON AND TURN!
TURN IT, TURN IT SATORUUUU! COME ON TURN IT!
WHILE IT WAS DEPENDANT UPON THE DEVICE AS WELL, IT SEEMED TO BE TOO HARD TO KEEP A STEADY VOLTAGE, MAKING THAT THEIR LIMIT.
THE BATTERY REACHED 5% WITHIN THE FIRST 10 MINUTES, BUT NO MORE. EVEN WITH THE PAIR GOING AT IT FOR AN HOUR.
5% MEANT THEY'D BE ABLE TO LISTEN TO MUSIC FOR AROUND TWO HOURS.
THOUGH IT MAY HAVE BEEN BETTER FOR THEM TO SAVE 10 MINUTES WORTH FOR AN EMERGENCY.
AT ANY RATE, IT WAS THE FIRST TIME IN HALF A YEAR THAT THE BOY HAD LISTENED TO ANYTHING.
TIME TO STOP SATORU-KUN.
WHY WON'T IT CROSS 5%?
WHY? WHYYYY?
EVEN IF THINGS HAD GONE WELL, THEY LIKELY WOULD'VE ONLY BEEN ABLE TO REACH 20% OR 30%.
YES!
YAY! AFTER HALF A YEAR!
NONETHELESS, THE PHONE BOOTED UP WITHOUT PROBLEM.

COULD I HAVE ANOTHER LOOK TO SEE IF THERE'S ANYTHING ELSE WE COULD USE?
OKAY, I DON'T MIND.
THANK YOU.
I'LL DO IT TOMORROW IF THAT'S ALRIGHT, A BIT LATE TONIGHT.
YOU SURE DID BRING A LOT OF THINGS HERE AKIKO-SAN.
THE BOY WAS WELL AND TRULY ELATED AT DINNER.
THE BOY ALWAYS ENSURED THAT HE THREW AWAY HIS LEFTOVER FOOD INTO THE OCEAN.
HAVING SUFFERED SO MUCH FROM THE RATS...
WHILE SO ELATED, THE BOY FORGOT TO TELL THE GIRL ONE IMPORTANT THING.
WAH, A RAT!

OH RIGHT, THIS SHOULD BE FINE.
AAH... THAT SCARED ME.
FAILING TO DO SO WOULD LEAD TO RATS AND COCKROACHES GATHERING.
IT'S LIKE A CYCLE, A CYCLE!
I SURE AM SMART!
THE LIL' RATS CAN HELP CLEAR UP THESE LEFTOVERS.
THE GIRL WAS STILL UNAWARE OF THE SHEER HORRORS...
THAT THIS ACT WOULD BRING...
COME ON, IF YOU'D BE SO KIND.
